- Homestay
- Outdoor Education

Description

Awatapu College is a modern, co-education high school for 13-19 year old students with about 650 domestic pupils and 35 international students. It has well-planned buildings and specialised facilities. Intensive English classes and extensive academic support across the school are provided to all international students so every learners needs are met. Awatapu College provides a wide selection of subjects from Calculus to Fashion Design, excelling in Drama, Design and Technology. Offering students Graphic Design, Art Design, Art Painting, Mechanical Engineering, Furniture Design and Photography. The equipment and machinery in the Technology and Creative Arts Suites are outstanding and very modern. On the sports front, the Hockey Academy is organised and led by Moira Pearson, former NZ Black Sticks hockey player from 1997 to 2004. The Academy focuses on students committed to playing high level hockey. For those keen on golf, Palmerston North has one of the best golf programmes in New Zealand. Awatapu College is located in Palmerston North, which is in the lower North Island. Palmerston North is popularly known as the "Knowledge City" or "Student City". It is a university town with several research centres and three tertiary education institutions. Awatapu college continues to deliver excellent pastoral care and service through a warm, welcoming and supportive environment. In the past 5 years, the International Department has won 3 national awards.
